

THE FESTIVAL IS FAST APPROACHING!

➤ **24TH ANNUAL FESTIVAL** ◀

7/31
FRIDAY

8/1
SATURDAY

8/2
SUNDAY

Preparations have been underway for some time,
but it is only with our collective effort that the

24th Annual Festival

of our cultural showcase is as successful
as we know it can be.

As members, St. George is calling on you to volunteer
in any capacity. Inside and outside, there are many
opportunities for all ages.

To ensure that our volunteers also have time
to enjoy the celebrations, we have created
3 to 4-hour shifts
that we ask you to please consider signing up for.

Follow the links below for more
information on the shifts available
each day of the festival.

The more volunteers we have,
the more prosperous our festival will be.

If you have any additional questions
regarding volunteering, please call
Diana Jakimoski at (315) 569-2513.

★ We do ask that only those 16 or older work the registers.

**YOUTH,
WE NEED
YOUR HELP!**

With your knowledge
and God-given talent,
there are many areas
where your help will
be valuable: from the
Gift Shop to the food
line to clean up.

The Festival Committee will be more
than happy to sign off on any form that
would credit the volunteer hours put in during
the weekend of the festival, so we encourage
you to come and help!
